## What's All the Chirping About?

2nd Grade has something hatching!! That's right, thanks to the generous expert help and support from Vanessa Dalton our second graders have been supervising the hatching of 7 Lavender Orpington Chickens since April 25th. On Monday, May 16th five of the little darlings arrived & the last two made their arrival on the morning of the 17th. Some of our students even got to see them hatch!

## Food Drive

Our 3rd & 4th grade students were so impressed with the results of the 5th grade cereal drive that they submitted their very own proposal. Here is what they suggested:

Dear Mrs. McPhail,

The 3rd & 4th grades and Mrs. Sawyer would like to have a canned & non-perishable food drive. We got this idea from the speeches. We would like to do this because we want to help people and stop hunger in our community. Can you please help make our dream come true and help stop hunger?

Sincerely,  
3rd & 4th grade

You still have time to help our 3rd & 4th grade by sending in your canned and non-perishable food items through Thursday, May 28th. On Friday, May 29th Loaves & Fishes will visit our school to personally thank 3rd, 4th & 5th grades and collect the donations.

Just a friendly reminder...

The school year is quickly coming to an end. Please make sure to send in any library books and pay any lunch bill balances you might owe.

### Labels for Education is Ending!!!!

Please get your Labels in by June 16th to earn money for our school. This program is ending and all collected labels must be in by the end of the school year to be eligible for reimbursement!
